21 - 23 May 2010 Coca-Cola Dome

DREAM. DESIGN. DEVELOP.

The grandest home and garden show is finally hitting the hustle and bustle of Johannesburg. Grand Designs Live, brought to you by Freeworld and in association with BBC Lifestyle is South Africa's newest design and décor experience!

Creativity meets innovation from 21-23rd May 2010 at the Coca Cola Dome and will combine cutting-edge design products, interactivity and inspirational ideas. Grand Designs Live is perfect for anyone who has an interest in **interiors, build, kitchens, bathrooms, gardens** and **shopping**. You will be able to buy, build and furnish a house as well as get plenty of amazing ideas to turn your dream home into a reality.

- Why not get inspiration from the **IID House**, a cutting-edge, fully decorated three bedroom home complete with imaginative features and an inviting outdoor-living space?
- Visit the **Eco House**, built in association with Witch Rooms, which is an innovative, low-energy building that has been designed to meet passive energy standards.
- You will be wowed by South Africa's top culinary wizards who are all going to be available to share their latest in foodie tips and seasonal trends on the [Grand Designs Live Chefs Theatre](#), sponsored by Delawood
- See the **Never Ending Garden**, a magical and mystical never-ending landscape of rolling grasslands reminiscent of the wilds of Southern Africa, including a vast amount of mirrors...you have to see it to believe it!
- **ALSO** Jeremy Mansfield, Jenny Crwys-Williams, Annemarie Meintjies, Michelle and Riaan Garforth-Venter from Love & Mortar as well as Arnold Tanzer and Nicola Hadfield will be making guest appearances and sharing their knowledge

Don't miss out on seeing everything from homeware, fully constructed houses and gardens to expert seminars, tricks of the trade and celebrities!
