

APPLICATION FOR A LIQUOR LICENSE

Please be advised that there is an application for a Liquor License to establish a “Tops” Bottle Store in the Parkmore Mews centre, we believe where Sandton Video now operates.

The PCA is in discussion with all parties - the property owners, shop owners, and concerned residents. The PCA will act to protect its members provided that all relevant information is made available to us.

The only way to prevent this bottle store opening in Parkmore is to object to the Liquor Board. Each and every person who feels strongly about this should make a written submission in objection before the 23 April 2009.

Liquor Board is located on the 8th floor, North State Building, cor Market & Kruis Street Johannesburg; call Abna on 011 225-2305. A copy must be sent to the applicant (we will get the address and contact details).
