

COMMUNITY POLICING PROJECT

PLEASE NOTE:

At the request of the PCA, Protea Coin Group will be replacing the correx boards showing your proud membership of the PCA-PCG Security Initiative with a better quality board.

Some of you have expressed an opinion about where this sign should be put on your property wall.

You are invited to contact Dawood 082 440 0446 or Tanya 082 649 4785 to advise exactly where you would like the sign glued on your property wall, otherwise the signs will be placed on in an appropriate position on the wall as usual.
