

PARKMORE COMMUNITY ASSOCIATION

Incorporated under Section 21
Registration No. 199/025688/08
PO Box 65058 Benmore 2010

MEMBERSHIP DRIVE

Are YOU a signed up - contributing member of the Parkmore Community Association?

Please join the PCA this week!

By now most of you will have received and read the A5 limegreen coloured leaflet we have had dropped into your letter boxes. The Parkmore Community Association (PCA) identified the "No" issues as important to highlight their work. If there was no focused structure and active volunteers representing those residents who attended public meetings and the 2008 AGM, then all the issues mentioned would be fact, and our beautiful suburb would be the worse for it.

So, this is a plea for each and every property owner/resident in Parkmore to sign up with the PCA for just R100 per month.

NOTE: If you have or intend contracting ProteaCoin to do the security on your property, the fee is R80.00 per month added onto the invoice.

HOW CAN WE REACH YOU BETTER?

The redesigned www.parkmore.org.za website is to create a "communications hub" for residents to receive and comment on the latest initiatives, projects, news, etc. SMS and e-mail are used to re-enforce relevant information for your benefit (e.g no water supply, cables stolen, crime trends, etc).

PARKMORE COMMUNITY NEWSLETTER

This is number one of your PCA newsletters. We hope that resident's will feel free to contribute to its contents. The idea is that this should become your newsletter - a dynamic one-pager which tells you things relevant to your lives in Parkmore, broadcasts important facts, and encourages Parkmorian to have their say.

What do you think?

The math teacher noticed that Little Johnny was actually paying attention in class. She called on him and said, "Johnny! What are 101 and 261 and 306?" Little Johnny quickly replied, "Mnet, BBC Lifestyle, and CBeebies!"

CITY POWER DO THEIR THING FOR THE PCA

In responding to PCA's persistent requests to switch on the already installed lights in Parkmore - those in 4th Street to 11th Street and Helena to Olympia Avenue are now illuminating our way.

Well done, City Power! However, we do appreciate that other streets west of Olympia Ave deserve lights as well. Funds have been requested from the CoJ 2008-2009 Budget for the other streets in Parkmore, and we will keep at them!

BLUE BAG PROJECT

The Mondi Recycling curbside pickup on Mondays is proving highly successful. The PCA is delighted that so many residents are participating. The drive is now to have EVERYONE putting out blue bags every Monday.

DEMOGRAPHIC QUESTIONNAIRE

A questionnaire will be coming to those with email shortly. Please complete the questions and return to us. It will assist building our database

PAVEMENT MAINTENANCE

Did you know that it is illegal to dump building rubble on "your" pavement? It is a violation of the CoJ By-Laws and frankly it is not very neighbourly and does create a safe suburb. When doing building work, please arrange for a dump-bin outside your property and have it removed when it gets full.

SECURITY REMINDER

There is a lot happening to fight crime in Parkmore, so please visit www.parkmore.org.za website and read the security minutes and reports.

CONTRIBUTIONS

Please make any contributions to this newsletter through www.manager@parkmore.org.za
